Summary:

Dedicated humanitarian and scholar with a strong background in public health, social sciences, and governance. Offers extensive experience in community training, program development, and advocacy, with a focus on empowering vulnerable populations, including women, youth, and displaced communities. Committed to advancing equity, social justice, and sustainable development through evidence-based interventions and policy innovation.
Currently pursuing a PhD in Political Science at Selinus University and a Master's degree in Public Health at Jigjiga University. Holds a multidisciplinary academic background that includes a Bachelor's degree in Sociology of Family and Gender from Jimma University, a B.Sc. in Clinical Nursing from Hayat Medical College, and an Advanced Diploma in Clinical Nursing from Yirgalem School of Nursing.
Combines academic excellence with hands-on field experience to deliver impactful solutions in humanitarian settings. Skilled in program coordination, capacity building, and strategic leadership in complex and resource-constrained environments.
